High Score Award Rules

The NJHSA Board reserves the right to make final decisions relating to the interpretation of specifications and the adjudication of the High Score Rules and procedures.

GENERAL RULES

1. Every class offered herein which is covered by the rules and specifications of the current USEF rule book will be conducted judged in accordance therewith.
2. Throughout these specifications the definitions of Junior Rider, Adult Amateur and Amateur-Owner will conform to the definitions established by USEF:
 - a. Junior Rider: Has not reached his/her 18th birthday as of December 1 of the current Show Year (USEF GR127)
 - b. Adult Amateur Rider: No longer eligible as a Junior Rider, and is an Amateur according to the USEF definitions. Adult Amateur Riders must hold a valid USEF Amateur Certification (USEF GR1307)
3. The NJHSA High Score Awards "Show Year" is December 1 through November 30, concurrent with the USEF/USHJA year.
4. Riders, horses, and ponies are eligible for High Score Awards ONLY if they are registered with the NJHSA and application fees have been paid. Membership becomes effective upon receipt of a completed application and the appropriate fees by the Membership Secretary. **NO POINTS WILL BE ACCRUED FOR RIBBONS WON BEFORE THE EFFECTIVE DATE OF MEMBERSHIP.**
5. In cases of multiple ownership of a horse or pony, at least one owner of record must be an NJHSA member for points to accrue.
6. A transfer of ownership must be filed for a horse or pony that is already recorded with the NJHSA. Points will be awarded to the new owner only from the date the transfer fee and paperwork are received by the NJHSA.
7. Stables, Farms, or Corporations who wish to register their horses and ponies must be registered as members. In addition, an officer of the Stable, Farm, or Corporation must be a Senior Member.

8. For LEASED horses or ponies, the actual owner of the horse or pony must be an NJHSA member for points to accrue. (Exception: leases recorded with USEF per USEF GR1108 - A recorded horse must be shown under a lessee's ownership provided an official lease is registered with the Federation.)

General Eligibility Rule

In NJHSA classes/divisions where eligibility is determined by "ribbons won," only first place ribbons which meet the following criteria are counted:

- Won at USEF Recognized Shows
- Won in classes with eight or more entries
- Won in equitation over fences classes in which fence heights exceed 2 feet. EXCEPTION: to move from Intermediate to Open equitation status, the rider must win twelve (12) first place ribbons competing over obstacles 3'3" or higher. (This rule affects eligibility in the Children's Hunter divisions.)

Membership Fees

Annual Membership Fees

Junior:	\$30
Senior:	\$35
Family: a maximum of five people sharing a common residence, must include at least one but not more than two Senior members	\$50

One-Time Fees

Life Membership	\$350
Farm/Stable/Corporation Recording	\$20
Horse/Pony Recording	\$10
Horse/Pony Transfer of Ownership	\$5

Important Notes for Members

- Members found to have misrepresented themselves (i.e., rider's age, rider's level as maiden/novice/limit, horse/pony size or eligibility, etc.) will forfeit ALL points earned in the division. Thereafter, points will be awarded only in the correct divisions of eligibility.
- If any member is suspended by USEF, NJHSA will suspend their membership during the suspension period imposed by USEF, such that no NJHSA points will be accrued. Points will not be accrued by any horses or ponies owned by suspended members or their farms, stables, or corporations. Any disciplinary action by USEF resulting in revocation and/or redistribution of points will also be observed by the NJHSA.
- Be certain to check horse show prize lists to determine whether NJHSA Points are carried and will be counted. Be certain a prize list is correct and states CURRENT specifications. NJHSA CLASSES AND DIVISIONS MUST BE LISTED CORRECTLY FOR POINTS TO COUNT.
- If a genuine error is made, the NJHSA Executive Board must be notified immediately, and the horse show management and exhibitors must follow the NJHSA Executive Board's decision on sanctioning the division, and any procedure for correction.

VALIDITY OF POINTS

The following conditions must be met:

- NJHSA Rules and Specifications must be followed for points to count.
- THREE (3) entries must be awarded ribbons in each class for points to count.
- A minimum of THREE (3) classes constitute a division. All three must run for Championship and Reserve Championship Bonus points to count. In Hunter divisions, the three classes must include an Under Saddle class. Additional classes may be added at the discretion of show management.
- The maximum number of classes which may be offered in a section is four if held on one day, five if held on more than one day, including the Under Saddle. A Classic may not count toward the total number of classes offered to create a division, and will not be awarded NJHSA High Score points.

- A horse/pony MUST show in at least one "over fences" class for the under saddle points to count for that horse/pony. Otherwise, all individual classes earn points.
- If a division is offered, but one or more classes are not completed, points will be awarded in classes which are filled or completed. No Champion or Reserve bonus points will be awarded unless three classes (including an Under Saddle class in Hunter divisions) are filled and completed.
- Splitting of divisions is permitted as long as a minimum of three classes are held for each section.
- A competitor must be awarded points at least three (3) times during the year in any class or division to receive a High Score Award.
- Points from USEF-rated classes/divisions (Children's Hunter, Adult Amateur Hunter, Child / Adult Jumpers, and Gold Medal when run concurrently with USEF or PHA Medal) will not be counted from Unrecognized shows. While Unrecognized (Schooling) shows are free to offer these sections and classes at their shows, NJHSA points will not be accrued from these shows.

Combination of Classes and Divisions

The following classes and divisions may be combined if there are fewer than three (3) entries in either class or division:

- Short Stirrup Equitation & Beginner Rider Equitation
- Short Stirrup Hunter & Beginner Hunter (Section A)
- Pre-Children's Hunter & Low Adult Hunter
- Children's Hunter & Adult Amateur Hunter
- NJHSA Bronze Medal & NJPHA Children's Equitation
- Low Adult Medal & M&S 2'6" Child/Adult Medal
- Adult Medal & M&S 3' Adult Medal
- NJHSA Gold Medal & NJPHA Gold Medal

Combination of hunter or jumper divisions with fences of different heights or combination with non-NJHSA divisions is discouraged and may affect the validity of points for those combined sections (ex: Schooling Hunter & Hopeful Hunter (non-NJHSA), or Level 0 Jumper & Level 1 Jumper).

Mid-Year Points Reconciliation

The NJHSA Board has enacted a Mid-Year Points Reconciliation deadline. The date of this deadline is determined annually by the NJHSA Board, and is typically around June 15 for points accrued December 1 through May 31. After the mid-year deadline, points for the first half of the show year will be locked and cannot be changed. Any inquiries which are received by the inquiry deadline but cannot be reconciled by the cut-off date will be brought before the NJHSA board. In no case will any inquiry remain open for more than 30 days past the cut-off date.

NJHSA Point Value System

Points will be awarded based on the following table:

Ribbon Won	3-8 Entries	9-15 Entries	16-25 Entries	26+ Entries
1 st	7	14	21	28
2 nd	5	10	15	20
3 rd	4	8	12	16
4 th	3	6	9	12
5 th	2	4	6	8
6 th	1	2	3	4

Exception: Clear-Round Jumper classes – no points will be counted for clear-round classes. (Effective Dec. 1, 2017)

Champion / Reserve Bonus Points

Championship Bonus Points: 10 points

Reserve Championship Bonus Points: 5 points

Please note that points for Championship and Reserve Championship DO NOT change with the number of entries.

For Jumper Divisions, no Champion or Reserve bonus points are awarded. All points are on a per-class basis only.

No bonus points will be awarded for any performance-based Championship class (example: USEF HOTY Pleasure Championship class).

Determining Champion and Reserve Titles

Show championships and reserve championships will be determined using the following points tables:

For all Hunter and Pleasure Divisions (USEF GR808.6):

Ribbon Won	Points Awarded
1 st	10
2 nd	6
3 rd	4
4 th	2
5 th	1
6 th	1/2

Only the top four horses will receive points for ribbons won in the under saddle class. Ties will go to the horse scoring the most points over fences.

For Equitation Divisions (USEF GR808.4 and GR808.5):

Ribbon Won	Points Awarded
1 st	5
2 nd	3
3 rd	2
4 th	1

Any ties will remain tied and receive equal points.

Disputes and Protests

Exhibitors have the right to file a protest or grievance if they observe any violation of NJHSA rules. Such protests may include a class or division not run according to specifications; participation by an exhibitor who is not eligible in a particular class or division; or a pony or horse being exhibited in the incorrect section, etc. The maker of the protest must be prepared to substantiate the protest by his/her own personal testimony, and by any additional evidence he/she can provide (other witnesses, photographs, etc.) The NJHSA Board will provide the accused with an opportunity to rebut the charges. The NJHSA Board will be the ultimate arbiter of the protest, and the Board’s decision will be final.

EQUITATION DIVISIONS

Mini Stirrup Walk-Trot

This is not a High Score Division. An Achievement Award for this division will be given to every rider who accumulates a total of **400 points**. No year-end Champion or Reserve will be awarded, and no placement awards will be given to riders who do not reach the Achievement Award level. Once reaching a total of 400 points, a rider may continue to show in the Mini Stirrup Division, or may show in another division where eligible without losing his or her Achievement Award for the current year.

Riders are cautioned to be careful when advancing out of the Mini Stirrup division when interest is shown in other High Score Programs or Divisions, or in Finals-type horse shows.

Open to riders 10 years of age or under as of the current show year. Riders not to have shown over fences 2' or higher at a USEF Recognized show. Riders may not cross-enter into any other class or division at the same show where they are required to canter. The division must include at least three of the following classes:

PLEASE NOTE: USEF requires that any exhibitor jumping a course is required to be a USEF member, even if the division is W/T only. To retain the USEF W/T membership exemption for Mini Stirrup riders, Show Managers at USEF competitions may wish to substitute ground poles or raised cavaletti, and note it as such in the prize list.

Guidance for Show Management

The following rules must be followed for your show to carry NJHSA points, and for those points to be counted:

- **The fee for carrying NJHSA points is \$100 per show.** Shows running over multiple days need only pay a single \$100 fee. No credit will be given for classes cancelled or not filled. If an entire show is cancelled, Management may apply to the NJHSA for credit toward a future show.
- **The payment of fees and receipt of an application at least 14 days in advance of the show will be strictly enforced.** If you run a series, you may submit a single application for the entire series. While we encourage you to pay in advance for the entire series, you may pay for your shows individually as long as payment is received 14 days in advance of the show date.
- **All points must be submitted via e-mail in either USEF format or as an export from ShowPro software.** A USEF-compliant Excel template is available from the Point Secretary and as a download from the NJHSA website. Points shall be submitted to points@njhsa.org.
- The NJHSA Point Secretary should be included on the mailing list (electronic or hard copy) for your shows.
- **Points submitted in any format requiring manual input by the Point Secretary will result in a \$50 fee being assessed to the show.** This fee must be paid before points will be entered.
- Results from the Show Secretary must be sent to the NJHSA Point Secretary within TEN (10) days of the date of the show.
- **Please note that all NJHSA classes and divisions must meet minimum specifications or the points will not be counted.** Please be sure that your prize list publishes the correct specifications. **Points from non-conforming classes or divisions will not be counted regardless of the name of the class or division.** This includes combinations of divisions that are not specifically permitted under NJHSA rules.
- Splitting classes or divisions is permitted as long as a minimum of three classes are held for each section.
- Combining classes or divisions is not permitted except where specifically noted in the division specifications.

- NJHSA Classes/Divisions should be identified as such in the body of the prize list. If any classes or divisions are marked in the prize list as recognized by the NJHSA the show will be expected to pay for such recognition.
- A copy of the NJHSA High Score Specifications should be made available to the exhibitors of the show on the day of the show.
- Any violation of the NJHSA High Score Awards Rules and Specifications will be considered the fault of the show management and NOT the NJHSA.

THE NJHSA BOARD RESERVES THE RIGHT TO MAKE FINAL DECISIONS RELATING TO THE INTERPRETATION AND ADJUDICATION OF THE HIGH SCORE RULES AND SPECIFICATIONS.

If you have any questions regarding these requirements, please contact the NJHSA Point Secretary at points@njhsa.org.

Please visit our website at www.NJHSA.org for downloadable forms, specs, and other valuable information.
